NEW TRACK.

Race Course at Lake-
side Park.

Deal on Between Trotting Club and
Street Railroad.

It is currently reported that a deal
is in progress between the Akron
Trotting association and the North-
Ohio Traction company, which, if
consummated, will provide a fine
racing track to be in shape for use
next season.

When spoken to in reference to the
matter Friday, officials of the
company had little to say, but did
not deny that such a deal was be-
ing considered.

This will mean a great deal more
convenience in getting to and from
the races, and thus insure a larger
and consequently more profitable at-
tendance.

Star course tickets will be on sale
on and after Wednesday morning,
Sept. 6, at opera house box office and
canvassers. Ten great attractions
for \$1.

AUTOMOBILE'S

First Accident in Akron—Collided
With Bicyclist.

An auto-mobile, weighing 900
pounds, owned by one of the em-
ployees of the Akron Machine com-
pany, collided with a bicycle ridden
by the 12-year-old daughter of Fran-
cis J. Traux of 146 South Summit st.,
corner Mill and Broadway Thursday
afternoon. The young lady misun-
derstood the signal given by the
driver of the automobile, who had
turned to the left to avoid a fright-
ened horse, and the collision was
inevitable. The front wheel of the
bicycle was shattered. Miss Traux
escaped injury by the automobile's
stopping at the curb, she having
fallen upon the sidewalk.

HUNTING DYNAMITERS.

Officers Active Owing to the Injuries to
Passengers by the Explosion
in Cleveland.

CLEVELAND, Sept. 1.—The persons in-
jured by the blowing up of a street car
on Wilson avenue are not in a serious
condition and will recover. A large
number of patrolmen have been detailed
for detective duty in citizens' clothing,
and with them are operating the police
detective force and squads of operatives
from several private detective agencies,
not to mention scores of amateurs who
are out for the liberal rewards that have
been offered.

An examination of the spot where the
explosion occurred and the testimony of
an expert on explosives who heard the
report a short distance away show that
nitroglycerin was the agent used in
wrecking the car. The street railway
authorities denounce the outrage and say
they would offer a reward for the arrest
of the perpetrators if the state of their
treasury would warrant it.

Billiard Player Ives Dead.

GRAND RAPIDS, Mich., Sept. 1.—A
telegram received by Dr. J. D. Peters,
father-in-law of Frank Ives, the cham-
pion billiard player, announces the lat-
ter's death, which occurred at Pro-
greso, Mexico. Consumption was the
cause of death. Ives' remains will be
brought to Plainwell, Mich., at which
place he was born in 1866.

Killed His Father-in-Law.

NEWARK, O., Sept. 1.—Jacob Kellar
shot and killed his father-in-law, Henry
Hobart, north of Newark. Kellar and
Hobart had been hostile for several
years over family troubles. Hobart
went to Kellar's residence and shot him
twice. Kellar is still living. Kellar
ran into the house, grabbed a pistol
and shot Hobart dead.

Ohio Organizations to Go.
TOLEDO, Sept. 1.—Colonel W. V. Mc-
Mackin of the Sixth Ohio volunteers re-
ceived a letter from Governor Bushnell,
stating that it is proposed to take all
Ohio military organizations to New
York to attend the Dewey celebration.
Governor Bushnell stated that railroad
rates would determine to some extent
the number of men to be sent.
